SUMMARY

Business Analytics graduate (BBA, 9.3 CGPA) from Hyderabad. I write and research for content and marketing, analyze data with Excel, SQL, Python, Power BI and Tableau, and have built a Shopify storefront and dashboards.

EDUCATION

BBA in Business Analytics, Raja Bahadur Venkata Rama Reddy College, Hyderabad | 05/2023 – 05/2026 | CGPA 9.3

EXPERIENCE

Project Intern, iAppSys Technologies Pvt. Ltd., Hyderabad | 12/2025 – 02/2026
- Led the analysis of telecom customer data to identify the key drivers of churn; segmented customers by behavioral patterns to find high-risk groups.
- Identified insights to improve retention and delivered data-backed recommendations for business decisions.

Content & Marketing Intern, Kairos Technology Private Limited, Hyderabad | 12/2025 – 02/2026
- Created and optimized technology blog and social media content using SEO strategies; ran competitor and market research.
- Gained exposure to agentic AI solution development; supported digital marketing initiatives.

Fundraising Intern, animal welfare NGO | 04/2025 – 06/2025
- Supported fundraising campaigns, donor outreach and resource mobilization.

Web Development Intern, iAppSys Technologies Pvt. Ltd., Hyderabad | 01/2025 – 03/2025
- Assisted in developing web-based solutions; collaborated on a real-time project and saw how system workflows and technical requirements fit together.

PROJECTS

Telecom Customer Churn Analysis (Power BI)
- Built an eight-visual dashboard comparing churn by internet service, contract type and tenure.

E-commerce Brand Development (Shopify), Sendriya Life | 2025
- Designed and customized a Shopify storefront; wrote homepage content, product descriptions and FAQs; structured navigation and collections. Tools: Shopify, Excel, AI-assisted content tools.

Sales Performance Dashboard (Power BI) | 2025
- Built an interactive dashboard of regional sales performance and trends.

Career Toolkit Development, T.I.M.E Akola, WE Hub | 2025
- Researched career options, skills and interview questions; prepared career mapping guides and learning resources.
